CHANGES SINCE 2025

Radix moved its portfolio from CentralNic to Tucows on 17 March 2026.
Public Interest Registry kept Identity Digital for .org after an RFP.
Team Internet has had its domains unit, including CentralNic, for sale since November 2025. No buyer was announced by 22 November 2026.
ICANN had cleared 28 back-end applicants for the new gTLD round by May 2026.

Covers the 50 largest gTLDs by domains under management in July 2026: 256.37M domains, 96.2% of all gTLD registrations. Domain counts from ICANN monthly registry reports.
Operator from ICANN's registry agreements; back end from the IANA root zone record (technical contact, RDAP service and name servers). Not affiliated with any registry.
